Attention: Suzette

Thanks for finding such a charming
and capable person to help me when
I was so sick.

Chris was such a wonderful person
to have here at home to take care
of me and to assist the R.N.'s from
DRMC Home Health Care. She picked
up the burden of housework and at
the same time was there for me
when I needed her.

Chris fit in so easily to our regular
routine. It is impossible to
explain how at ease I felt around
Chris.

Thanks to Chris and you. I am
feeling so much better. Anyone
who is lucky enough to have
Chris as a caregiver will agree.

Sincerely,

Nattie Jo
