Child Care Service

One of the most important decisions to make when returning to work or going away is "Who will look after our children?" You need to feel confident about the child care provider and their ability to care for your children. After reviewing your needs with us, you are welcome to interview child care providers at your home or our office. The decision to hire is solely up to you.

A-1 Domestic Professional Services, A-1 Home Care & A-1 Nannies can assist you in finding the perfect **Child Care Provider, Nanny, Babysitter, or Mothers' Helper.**

All referrals come with verifiable references, experience, clean background check, clean DMV check and CPR training.

A-1 Domestic Professional Services A-1 Home Care & A-1 Nannies are committed to providing our clients with the most qualified and professional Home Care and Child Care providers.

Our intense screening process includes **face-to-face interviews with all Child Care providers** before they are referred and placed with customers.

Mother's Helpers

With the growing popularity of home based business, parents working from home has increased the need for mother's helpers.

Mothers need extra help when at home. A mother's helper works under some supervision and performs duties as needed such as childcare, running errands, meal preparation, laundry, etc. Mother's helpers offer tremendous assistance to busy moms in search of a Child Care Provider.

They can lend a helping hand in all aspects of child supervision, household tasks, homework, running errands as well as being involved in outdoor fun where a Child Care Provider can spend time with children doing recreational and educational activities.
